Potentate's Message

Nobles and Ladies:

For those who were unable to attend the Monte Carlo Night, you missed out on a really great event. First Lady Judie out did herself in planning and design of a Vegas style atmosphere which produced great fun for all!

September brings us the end of summer but in no way the end of Shrine fun. Many fine events are still in the coming months right up to the end of the year. Please plan to attend as I would love to socialize with each and everyone of you.

I have enjoyed the Official Visits with clubs and units leaving me feeling welcomed and honored to be in their host.

Our Shrine is still busy and active, lets keep it that way!

FUN WITH A PURPOSE

Helping a child have a better life

This is the real reason Shriners all over the world exist. Without our hospital system, the world's best, the Shriners would be just another social club. The Shrine members are the best of the best and they are supported by the best wives. We all believe in the Masonic principles of making a good man better.

The Rites and Shrine are an extension of those beliefs and they give us the necessary tools to accomplish this goal.

Take time to look around at your Blue Lodge and see who is not a Shrine. Talk up Shrine and see if you can get a new member for Tehran Shrine. Any 3rd degree mason can become a Shriner.

If we continue at our present rate, Tehran Shrine will cease to exist in a few years. No one wants that to happen so do your part and get a new member. Our present membership is at 560.

Support your Shrine and its officers by attending as many Shrine functions as possible.

Tom Crosno

If you want to opt out of Robo Calls, [you must call the Shrine Office](#) at 251-1991 and please give Tom the phone number you want opted out. If you call after hours, please leave your phone number.

Message

Are we lucky to have Judie Houston as our First Lady or what?

In June she knocked the socks off our Northern California Shriners Childrens' Hospital Chief of Orthopaedics with her commitment to Camp Helping Hands which helps patients enter mainstream life with athletic and socialization therapy. Is she resting on her laurels? Nope.

In July she shared her experience and contacts with us by organizing Tehran's Monte Carlo Fund Raiser and recruiting her former colleagues from Fresno's Police Department and the Police Officers Association to come support it. Potentate Mike while at the Imperial Session in Charlotte, NC, invited a vendor to bring his popular sports and music art memorabilia auction items - at no cost, no risk to us - to help us raise money. And that we did - the bids amazed me. We netted over \$6,000. A great success and Chief Rabban Travis Cantrell is hoping for even more success next year.

Let's have a nice big Past Potentates Dinner October 20th. These men have all taken on a big job to keep Tehran going. They deserve our tribute (I even thought that before I became one of them). Who are these guys? Living Past Potentates include Harry Beck (63), Bud Baird (73), John Manoogian (76), Truman Campbell (78), Don Blosser (79), Ken Stretch (81), Ron Weiner (84), Vince Carter (86), Fred Richburg (87), John Techman (89), Jud Robinson (90), Gene Bopp (93), Dick Herrinton (95), Dan Pearce (96), Lee Willingham (97), Gene Tong (99), Ralph Takakjian (00), Ron Baker (01), Chuck Stirling (02), Ed Kerber (03), Ralph Takakjian (04), Ross Simonet (06), Rob Crossland (07), Ron Obernolte (08), Robert Perez (09), Jim Stahl (10), Kurt Jauss (11). Wow - that's 27 men still with us who have contributed their time, effort and personal funds for Tehran. And let's not forget the past First Ladies who also contributed. Stay tuned for next month's message for the names of all our living past First Ladies. While the main point of PP Nite is to have fun, enjoy a great meal and say thanks to these men and women, we will also support First Lady Judie's Hospital project to help fund Camp Helping Hands.
