Elect

Potentate ^ Randy Forrester

I want to thank everyone for showing confidence in me by electing me the 2026 Potentate of Tehran Shrine. First Lady Pam and I are honored and will do our very best to deserve the honor which you have conferred. I am also extremely excited about our line of officers who are younger and offer continuity to our line. On January 8th there will be a members only Stated Meeting to install our 2026 officer and pass our 2026 budget. On January 17th we will present our 2026 officers and honor our Past Potentates and 1st Ladies who have been the back bone of Tehran through the years. Pam and I will unveil our plans for next year as well as the 1st Lady's hospital project. We are looking forward to a fun night, so please reserve with the Recorder or myself early (see enclosed flyer) so we can let the caterer know how much food to prepare.

Again this year our Past Potentate Jim Stahl and his 1st Lady Jennifer hosted a trip down Christmas Tree Lane on Tuesday, December 16th. There was no charge and as always it was a wonderful time. A sincere thank you to Jim (our new Treasurer) and Jennifer (Mr. and Mrs. Clause) for making this a very special evening.

Lastly, I again want to thank Potentate David and Lady Carol, and all the people that helped, for making 2025 a banner year for Tehran. I want to especially thank PP Mark and Sandy Dawson, Pat and Oren Doughty, Bob and Sandra Murdoch and a host of others that helped keep the wheels on our trolley. It is never a "Potentate's" year it is a Tehran year and Pam and I look forward to working with all of our dedicated members to help make 2026 another Tehran year to remember.

Remember our motto is "fun with a purpose" and you only get out of life what you put in to it, so dedicate yourself to "HAVING FUN HELPING KIDS IN 2026."

Fraternally,

Randy Forrester, PP

A New Year, A Shared Purpose

As we begin a new year at Tehran Temple, there is a great deal of excitement in the air. Illustrious Sir Randy Forrester has an outstanding year planned for our Temple, and Zuly and I are truly looking forward to all the fun events, fellowship, and opportunities to support our Potentate and First Lady throughout the year. It is always an honor to stand alongside leadership that is dedicated to moving Tehran Shriners forward.

I would also like to extend my sincere gratitude to the Nobility for the confidence you have shown in electing me as your new Chief Rabban of Tehran Shriners. It is a tremendous honor to serve our Temple, and I do not take this responsibility lightly. I am committed to working hard for our members and continuing the proud traditions that make Tehran Temple such a special place.

To our most recent Past Potentate and his bride, thank you for an incredible year. Your dedication, leadership, and countless hours of service have played a vital role in the continued success of Tehran Shriners. Your efforts are truly appreciated, and your impact will be felt for years to come.

As we move forward, let us never forget why we do what we do. Our mission is, and always will be, to support the children who need our help. There is no other organization in the world that helps children the way Shriners Children does. What we are a part of is truly special, and it is a privilege to serve alongside each of you in making a difference.

Here's to a great year ahead—filled with fellowship, service, and continued support of the children who count on us.

In Faith,
Jason Weiner
Chief Rabban

From the Desk of: High Priest and Prophet Michael Graham:

Greetings Nobles & Ladies,

I hope everyone was able to enjoy the holidays. We have a new year ahead, and lots of plans for growth, fellowship, and fun. I want to thank you all for allowing me to have the privilege of being High Priest and Prophet on the Divan. I also wanted to congratulate Randy Forrester on being this year's Potentate. I'm sure everyone agrees David Pitts did a wonderful job for 2025. We have a fresh start this year with goals and giving in mind.

A friendly reminder during these winter months, be sure to keep space heaters a safe distance away from anything flammable. If you know of someone relying on boiling water, even cooking for a family gathering please emphasize caution. Create "child free-zones" if needed to protect the little ones. Shriners hospital is always taking on unfortunate burn victims from families who rely on basic forms of heat that can be hazardous. The front of fireplaces can also be extremely hot, and enticing to a curious kid. Help us, each other, and everyone have a safe and prosperous New Year!

Fraternally,
Michael Graham

Editor's Note.

Please, Please, if you want an article or flyer in the Newsletter, I must have by the 15th of the month. Your forgetfulness could result in your event not being in the Newsletter. We are all volunteers but please don't make me track you down PLEASE, PLEASE, PLEASE

Happy New Year! I hope everyone had a joyous Christmas and you stayed up to celebrate the New Year. There was a group of 21 Shriners, their ladies and friends who went to Branson Missouri to celebrate Christmas. All was great! The Shepard of the hills light show is unbelievable, the Sights and Sounds show "David" absolutely phenomenal (on a million dollar stage including live camels, donkeys, sheep, goats and doves), a tour of the collage of the Ozarks where the students when they graduate owe a zero amount for their education, dinner on a showboat cruising around a lake, several Christmas shows (my favorite was the Hughes Brothers (100 family members of which 55 are in the show), way to much food (Paula Deans was my favorite restaurant) and 3 super van drivers (Dave, Mark and Tony) that got us to and from all events safe and sound. All of this was arranged and managed by our PP Dave Pitts. Thank you, Dave, and Carol for a super great time!

No matter how much how much you push the envelope, it's still stationery

Now for the bad news. We started the year with 220 members, created 9 new members, restored 2, 5 demits (4 in December), lost 1 for non-payment of dues and the black camel visited us 9 times, 2 Shriners came in from Al Malakah. If my arithmetic is correct, we ended the year minus 2. While we don't like ending up in the hole, you guys did a pretty good job by bringing in 9 new members, not quite as good as last year's 11, but better than the previous dozens of years. Let's make 2026 a momentous year and get a couple new members a month. Remember, **EVERYONE OF YOU ARE ON THE MEMBERSHIP COMMITTEE! REPLACE YOURSELF!**
