## A quick note from the POTENTATE

W S A was a blast....and we learned a lot too. A lot of Temples are having a tough time with membership, the Hospitals are costing more for care and some of us are just pooped!

But on a positive note, more Temples have found innovative ways to encourage membership, technology changes to save money and an upbeat view of the Shrine where we can almost do anything we put our minds to.

Our Temple has some challenges ahead of us, but if we all strive to better our Fraternity, there is also nothing we can't do.

Remember, John F. Kennedy challenged this nation to the moon within the decade, after only a 15 minute sub-orbital flight. Talk about a dreamer. We can accomplish a great many things; we just have to believe and get to work.

Kurt Jauss,

Potentate 2011 Tehran Shrine

## RECORDERS

## CORNER

### July

This is the month of the Shrine International annual meeting This year it will be held in Denver Colorado.

This is the time for all of your representatives get together and review the direction your shrine is going. Hopefully in the best direction. And they will elect new leaders for the 2011-2012 shrine year.

This also the time for **YOU** to ask yourself “What am I doing for Shrine” ? There are many places where **YOU** can help Tehran Shrine.

Let the divan know you would like be an officer

Ask the chief Rabban ( Mike Nella) how you can help in the Shrine family in 2012.

Take an active part in your club or unit

Attend and participate in Temple stated meetings

Attend and support **ALL** shrine activities

## Ladies Corner

Just got back from WSA in San Ramon/Livermore area and had a great time. The weather was wonderful most of the time except the day of the WSA parade. Of course it decided to be overcast and windy that day but the guys seemed to prefer that to HOT. WSA combined with the local town rodeo parade (similar to Clovis Rodeo parade) and it was a lot of fun. Lots of parade participants and lots of parade watchers! It was a nice change to see the variety of vehicles the other temples have. Sometimes we get too accustomed to just seeing our own units and forget the excitement the crowd sees when they see our guys. I recommend you to visit other temple parades sometime. You will be surprised.

A quick note about the 1<sup>st</sup> Lady's Project of the sound system. I hope you have been noticing the thermometer in the hallway. We are getting closer to our goal. All the temple units have been so generous in donating to it and I have received some surprising private donations as well. Thank you all for supporting your temple.

Imperial is just around the corner for your Temple officers. This year it is in Denver, CO. I will do my best to bring back all the news for the ladies regarding our upcoming Imperial First Lady. Hope your summer is going well. I have been enjoying seeing you all at the summer parties.

Sincerely, Lady Marty Jauss
