## A quick note from the POTENTATE

May has been another busy month. May 2nd finished the Potentates trip to the Skunk Train in Fort Bragg, and four days in Calistoga at a Spa Resort. Much fun and relaxation was had by all. Marty and I thank all of you that went and made the trip extra special. The first annual crab feed was a resounding success. And the circus also was another exciting event. We may not have made a lot of money on the Circus for the first year... but the public exposure was priceless. We have WSA coming up this month as well as Imperial in July. We hope to see all of you at the upcoming events.

The Shrine is what you make of it. Participate and make the Shrine proud.

## RECORDERS

## CORNER

The crew that put on the crab feed did a great job. It reminded me of the crab feed that Tulare County Shrine Club put on in the years past.

The weather did not cooperate but it worked out fine being moved indoors. Travis and his crew worked very hard preparing the food and the youth groups, rainbow and scouts did a great job of serving and cleanup. It restores my faith in our youth when they display this type of attitude.

Just a quick suggestion to any of the clubs or units that are interested in making a donation to the shrine, there are two areas where your contributions will make the best effect. The Tehran transportation fund and the first ladies fund.

The transportation fund is used to help needy families to get the children to the hospital for treatment, this is tax deductible.

The first ladies fund is to improve the sound and visual aid equipment in the shrine center. This is a much needed improvement.

**REMEMBER THIS IS YOUR SHRINE**

**BE A PROUD SHRINER**

## Ladies Corner

Dear Ladies,

Getting into the summer months that include graduations, summer picnics, and weddings is a fun time. I personally am on an emotional high as I have had the “first wedding” of my immediate family just last weekend. It is a great time in my heart. I hope your summer is starting just as bright.

There are two upcoming events this month I would like you to note. One, on June 6<sup>th</sup> the guys are having a Stated Meeting at the center. I invite you to come as well as I will be having a Ladies Get Together in the Oasis room at the same time the guys meet. We will have a hands-on demonstration of decorating your very own mini Fez cake (just like we had at the Nobility Ball). It is to be a fun demo and I am sure the guys will be telling us to tone down the laughter.

The second event that is happening in June is Western Shrine Association (WSA) in San Ramon. Dates = June 8-11, 2011. Even if you can't make the whole event try and come to the parade on Saturday, June 11. Support your Shrine. The following website gives the schedule [www.wsa2011.com](http://www.wsa2011.com)

I recently read somewhere that if you want rainbows, you gotta have rain. In a perfect world, everything would always go right. There would be no disappointments or trials, and life would be filled with only sweet, warm, and fuzzy feelings. But how would we know if things were good if we had no comparison? So the trick is go out and look for puddles to play in. So go on, play in the rain!

Heart to Heart,

*Lady Marty Jauss*

## **Director General's Note**

**Wow, Where has the year gone? Everyone has been busy with Car Show, the First Crab Feed and the return of the Circus. Yes, Tehran Shrine has held a Circus and not in just one location but several from north to south. Big thank yous to all who helped and those who attended.**

**In July, the Divan and others will attend the Imperial Shrine Session in Denver, Colorado. Hopefully, we get a good report about the Shrine Hospitals and we elect good nobles to carry on with our goal of helping kids.**

**Wherever your travels may take you this summer take care and be safe. The Potentate's trip to the Wine Country was a blast and we did not get lost.**
