## **JUNE'S MESSAGE FROM THE POTENTATE**

***SALAM AND PEACE BE WITH YOU***

Well, the year is going by so fast. The Nobility Ball and 70<sup>th</sup> Anniversary Party was a success. Catering by Victoria's was excellent. Shish Kobab dinner and an anniversary cake for dessert provided by the Chief Rabban, Dr. Randy Forrester. Mr. Ed the Music Machine provided the music. The Nobles enjoyed the pictures and memorabilia around the venue and brought back good memories. To those Nobles who participated in the event. A BIG THANK YOU for your support of the Shrine.

Some of us will be going to Reno for Dale Olberholtes Installation as Supreme Queen of the Daughters of the Nile. So if you have something that needs to be taken care of quickly get it to our office and let's make it happen.

I will be the guest of the Worthey Matron and Patron of Merced Eastern Star on June 22. We will present a discussion of the help the Hospital has to help our kids and our First Ladies project, Camp Winning Hands.

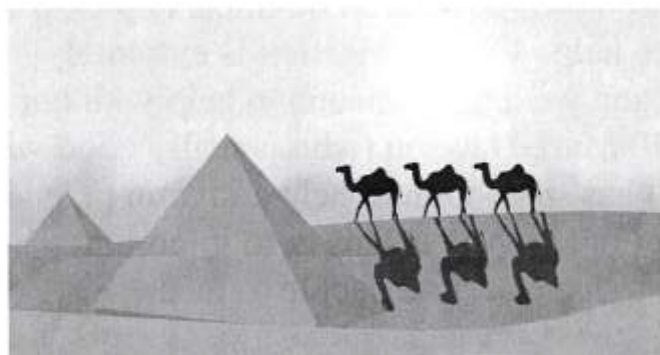

The Worthey Matron wants to participate in the project and help our First Lady.

Towards the end of the month, I will be participating in the Imperial Session in Nashville. Our Chief Rabban and his lady will also be present for the event. Dr. Ron Olbermolte will be there as our representative for the hospital.

If you are planning on joining us for an evening at Roger Rockas Dinner Theatre, please get your reservation in to me as soon as Possible. I have 6 seats left. If we sell out there will be 24 to take part in a raffle for seats for a future play.

As always may your camel spit with the wind and guide your path straight and to the point.

## From The Chief Rabban *JUNE*

We returned from Hawaii a day early so we could attend the Pote's ball and Tehran's 70<sup>th</sup> anniversary. It was well worth giving up a day in Hawaii and the Ed Burke trio did an outstanding job with the music. We used our time in Hawaii to relax and use some quiet time (which is a rarity for me) to plan for the 2020 shrine year. My goals (if elected) are to continue to build on the achievements of the Potentates who have gone before me to continue helping kids and to work to increase our membership while having fun.

We are looking at ways to change what we do because we know **“that if you continue to do what you did, you will continue to get what you got”**. With times changing and our membership dropping we want to try some different things. Tehran belongs to all of its members, and to grow and prosper it requires the participation of all of its members. Each year there are many positions which need to be filled so please call and volunteer to help. Communication is extremely important, and we need someone to help with our website. PP Mark Dawson (who is really good with computers) has stepped in to help and train people on the operation of our website. This is so important that we would like to have several people trained.

Computers have become a large part of our life and this offers an opportunity to improve your skills or develop a new skill.

I hope everyone is well and remember that our motto is **“fun with a purpose”** and it is the good we do for the Shriner’s Kids which gives each of us and Tehran Shrine purpose. The Shrine health care system is the best in the world and no other hospitals or organizations treat the children as we do, so if we are gone there is no one to take our place. **Think Membership!**

Fraternally,

*Randy Forrester,*

*Chief Rabban*

### ***June***

Here we are heading into June with FUN and exciting activities scheduled. Mark your calendar and get ready to have some “Fun with a Purpose”.

Lady Jean and I are finally getting rested from our trip to New Zealand, where you probably saw our activities on Facebook. I have not been this sore in a few years, with chopping wood, cleaning out tractor sheds, helping with the harvest and mowing fields. A lot was settled on our daughter Tonia’s estate and things are pretty well on a good path, except for the loss of Jeremy our son-in-law.

I am so sorry we had to cancel the Crab Feed, everyone worked hard, but ticket sells never expanded and the crab feed had to come to an end. As chairman I take the responsibility serious, but my daughter needed us to help sort out the ranch and estate settlement and we had to leave for New Zealand. The months of March, April and May have been a family challenge, but with many people helping both here and in New Zealand all is in good order and ready to start June off with a bang.

Now that June is arriving and summer FUN is on the way, are your Units and Clubs ready? Many have signed up for the cruise are you? There is still time to join all of us who have signed up for Mexico. I’m still not convinced that the “Camel” ride Jean signed us up for is right for me,

because the last time I rode one was in French Morocco and that one did NOT like me!

Before heading to New Zealand I attended the Imperial Assistant Rabban Training Seminar and learned a great deal with extremely nice sessions and meeting all the Assistant Rabbans from all around the U.S. and Canada. Thank you for this opportunity to serve you Tehran Temple.

The Official Visit of Merced- Mariposa for our Potentate and the First Lady in Atwater was a "FUN" filled event. We met members and their Ladies that we had not had the chance to meet before. The Breakfast served great food and there were door prizes galore. I went to Castle AFB where I was scheduled to be stationed at one point in my Air Force career, but was diverted due to the base closure and breaks my heart to see the base looking like a deserted town. The Air Museum was very nice and had some memorable flash backs.

Welcome to all of our new Nobles and their Ladies. It is a true Noble cause we support! Sending out a big "Thanks" to those who help make our Temple a "Fun with a Purpose".

Please plan to attend the events and come say "Hello" to Lady Jean and me. We enjoy meeting each and every one of you.
