Potentate's Message

Nobles All:

Everyone made it back safely from the Pote's trip (no help from the storm) and what a wonderful time it was. The Masonic and Patriotic journey we traveled was a top lifetime experience for us all. First Lady Judie was responsible for putting the entire trip together and it all went as planned, except the storm.

The recent Clown annual BBQ (hosted at Ellen Pilegard's home) was a great success and is an example of the driving force the unit continues to be.

The upcoming Monte Carlo night is a Temple fund raiser and its success is paramount to our Temple's well being. Please plan to attend as all are guaranteed a fabulous time.

Immediately following Monte Carlo, is a mystery bus trip headed up by Dave Johnson so you know it will be interesting to say the least.

The year is beginning its second half and fraternal support is always in order. The first half has been top notch in all aspects, in fact the only thing that I don't like, is the simple fact that it is already half over. Thank you is never enough to say to all who have supported Tehran this year but you know it is truly from my heart.

I hope to see y'all soon (that's Charlotte slang from Imperial session) because the second half is always crunch time!

Yours in Shrinedom:

Mike Nella

RECORDERS' CORNER

AUGUST

This month will start out with a great fund raiser, Monte Carlo Night on August 4. This is an event that makes everyone a winner – The Shrine gets money and everyone has a fantastic time.

This year has had some great events, car show, crab feed, and the potentates' trip just to mention a few and there are more to come. Cambria parade weekend is just around the corner and this is a fun weekend that gets the shrine out in the public eye in a positive manner.

While we are having fun remember our purpose for existing is to help a child have a better life, our hospitals do this. If you know a child in need of help contact the recorder Tom Crosno – 559-251-1991 and he can get the necessary forms prepared to get this started.

SHRINERS HOSPITALS - What's new? Tehran First Lady Judie Houston's project to raise money for "**Camp Winning Hands**" has the attention of the SHC Northern California Board of Governors. At the Board Meeting July 16, Michelle James, M.D., Chief of Orthopaedics, popped Tehran Board Members' eyes open as she expressed her appreciation for Tehran's First Lady driving up and spending the afternoon with Dr. James at Camp Winning Hands in Livermore. Dr. James is not only a world leading surgeon and medical lecturer on orthopaedic hand surgery, she is also a resourceful leader with innovative plans to engage Shriners Hospitals children actively in normal social interactions including sports activities - a smart physician with a heart. Let's give First Lady Judie our enthusiastic support for her project to help fund **Camp Winning Hands**.

And speaking of our committed and likeable First Lady, she is the organizer of our Monte Carlo Casino Fund Raiser, Saturday, August 4. Prior to her retirement as a Supervisor of the Fresno Police Department's 911 office, she successfully organized such events for the Police Officers Association - now, we get the benefit of her experience. Let's hear it for Judie and, oh, by the way, show up!

Rob Crossland, PP, OG/DG, Member SHCNC Board of Governors

First Lady's Project

I visited Camp Winning Hands on July 7th. Let me tell you, it was a great experience. The children, parents, doctors (2 pictured with me are from Shriner's Hospital for Children Northern California), and counselors were all having a wonderful time. They were swimming, climbing a rock wall, Zip lining, making tie dye shirts, and so many other projects, I can't name them all. I even got a special treat from "Jason" who ran up and gave me the biggest hug! It was absolutely wonderful to be there and see all the fun activities and smiles on everyone's faces. Truly a good cause to support. My goal is \$5,000, and we are on our way, but not quite there yet. Keep on filling those boxes! Thank You
Judie

"Excellent camp. Well organized and executed!"

MISSION STATEMENT

Winning Hands is a support program designed for children with congenital hand differences and their families.

Winning Hands will:

- Create a supportive and encouraging environment for both the child and family by providing unique experiences and adventures.
- Strive to empower children with hand differences to address daily physical, emotional and social challenges.
- Create a support network by organizing group meetings and providing outreach to new parents of children with hand differences.

Hand differences vary in both severity and impact on a child's function. Upper limb differences include:

- Missing arm, hand or fingers
- Webbed or fused hand parts
- Extra fingers
- Undergrowth of hand/arms
- Overgrowth of hand parts
- Dorsal hand syndrome

Camp Winning Hands would like to recognize The Taylor Family Foundation for hosting our camp hold at The Taylor Family Foundation's Camp Arroyo this year. The foundation's mission is to preserve the wellness and enhance the quality of life for Children in Northern California with life-threatening and chronic illnesses, disabilities and youth at risk through unique camping experiences and support.
